TUTORS WANTED!

CLAS is looking for enthusiastic and self-motivated people to become math, science & econ tutors for the next academic year.

If you are a good student who is interested in helping other students to succeed then CLAS needs you!

Come be part of our team.

Requirements:

- GPA of 3.3 or higher
- Completion of at least 2 years of study at the university by Fall 2015
- Letter of recommendation from a university professor
- Attendance of mandatory training sessions the first weekend of Fall Quarter 2015

Application process:

- Pick up an application packet at CLAS (SRB 3210) during spring quarter
- Turn in completed application (including letter of recommendation) before the priority deadline, May 15, 2015.

Questions? Contact the following tutor coordinators at CLAS

- Calvin Kao: Math, Physics, Engineering, PSTAT & Econ Coordinator
- Amy Liest: Biology & Chemistry Coordinator
