

# TUTORS WANTED!

CLAS is looking for **enthusiastic and self-motivated people** to become **Math, Science & Econ tutors** for the next academic year.

If you are a good student who is interested in helping other students to succeed then CLAS needs you!

**Come be part of our team.**

## Requirements:

- GPA of **3.3** or higher
- Completion of at least **2 years** of study at the university by Fall 2017
- Letter of **recommendation** from a university professor
- Attendance of mandatory **training sessions** the first week of Fall 2017

## Application process:

- Obtain an application packet at online or at CLAS (SRB 3210) during spring quarter
- Turn in completed application (including letter of recommendation) before the **priority deadline**, May 12, 2017

## Questions? Contact the following tutor coordinators at CLAS

- Calvin Kao: Math, Physics, Engineering, PSTAT & Econ Coordinator
- Amy Liest: Biology & Chemistry Coordinator
