Group Tutorials

• Be sure to take roll during every session
• Students can be dropped from the group if they have 2 consecutive or 3 total unexcused absences during the quarter
• Coordinators will be checking group timesheets and making drops as appropriate
• If a student has an excused absence place an “E” in the box, so the coordinator knows not to drop them.
• Dropping students is especially important when groups are full, since it allows other students to officially enroll
• Students must re-enroll in person at CLAS if they want to attend the group they were dropped from.
No-Show Forms

- To be completed when:
  - A student fails to show up for an individual session
  - A student fails to cancel at least an hour before a scheduled appointment
  - A group has zero attendance
- Tutors are obliged to wait 15 minutes before declaring the session a no-show
- Tutors are paid for an hour session at the appropriate individual or group rate
- Let your coordinator know immediately if you have had 2 no-shows for an individual student within a quarter
**INSTRUCTIONS:**
- A no-show is declared under the following circumstances:
  - A student fails to notify the tutor at least 1 hour before a scheduled appointment.
  - A student (or group) is more than 15 minutes late for a scheduled appointment.
- Notify your coordinator immediately of any second no-shows in the same quarter.
- Turn in completed no-show forms on the timesheet due date.

Timesheets & Paperwork

**Timesheet Summary**

- It is essential to collect attendance data for all students who attend CLAS sessions
- Accuracy is important
- Drop-in Timesheets should be filled out completely and left in the designated binders
- Individual, Group, Review Session Timesheets and any No-Show forms are all turned in to your coordinator on the appropriate Fridays
- Tutors who do not submit timesheets on time or submit them with incorrect information risk delaying their payroll dates
Timekeeping & KRONOS

An online electronic system (Kronos) will be used to track hours worked for payroll.

• Log on to Kronos (https://timekeeping.ucsb.edu/) using your UCSBNetID

• Enter your hours worked every week by Friday afternoon:
  • Enter time worked to the nearest quarter hour
  • Select the correct pay rate under the transfer column
    o Group rate (higher amount) for group sessions, review sessions & group no-shows
    o Individual rate (lower amount) for all other tasks/sessions
  • Add a brief comment by right clicking on the time for any task that is not regularly scheduled:
    o Regular hours = group and drop-in hours → no comment required
    o Other hours = individual sessions, no-shows, review sessions, substitutions, training hours, lecture attendance → comment required

• Your supervisor will check & verify hours on Mondays. Do not change your hours after they have been verified. Let your supervisor know if something needs to be corrected after verification has occurred.

• Approve your timecard on Friday at the end of the bi-weekly pay period after you enter your hours worked for that week.
  • For any work completed on an end of a pay period Saturday: Enter the hours for that day on your timecard before approving and turn in any corresponding timesheets to your coordinator ASAP Monday morning.
